EXPERIENCE

MERN Stack Developer Intern Feb 2026 – May 2026
WebCultivate Software Solutions *Nagpur, Maharashtra*

- Developed and maintained full-stack web applications using MongoDB, Express.js, ReactJS, and Node.js following Agile development practices.
- Designed and implemented responsive React components from Figma UI/UX mockups, focusing on usability and consistent interface design.
- Developed and integrated RESTful APIs and used Git/GitHub for version control and collaborative development throughout the SDLC.

PROJECTS

SA Dream Destination – Travel Booking Website | *HTML5, CSS3, JavaScript*
Developed a responsive travel booking website with multiple pages including Home, About, Services, Packages, Gallery, and Contact. Implemented a dynamic booking popup form, animated page loader, WhatsApp integration, and interactive UI elements using JavaScript. Designed responsive layouts and smooth animations to provide a user-friendly experience.
